WINE FESTIVAL

WINCHESTER

Susie and Peter are delighted to welcome you to the Guildhall for a superb feast of wines, food and fun.

It's that time of year when we all need to pick up a few presents as well as stock up for the festive period. This is the perfect chance to do just that (and have fun doing the research)! And you can actually save yourself money by taking advantage of all the exclusive festival discounts being offered by our exhibitors.

You'll need to buy or order today to take advantage of these special offers – but you can save a great deal in the process. And if you're looking for gifts, don't forget you can buy elegant gift vouchers for next year's Wine Festival Winchester 27 - 29 November 2015 on the Wine Festival table no.30.

Don't forget to buy a ticket to enter our prize draw. All proceeds go to our charity partner Naomi House & Jackspace.

We have some fabulous prizes including Riedel decanters, tickets to Grange Park Opera, J&B champagne, Majestic Wines, Le Creuset wine accessories, Mercedes-Benz AMG Driving Experience, Farrow & Ball Colour Consultancy, Guy Kremer Salon vouchers, and dinner courtesy of Savage Kitchen.

We hope you enjoy your free Riedel Degustazione glass (worth £12.50). We have hundreds of wines on pour at the festival, all of which are free to taste. Samples will be small but please do take care not to overdo things, and drink plenty of water.

If you're peckish, we have delicious food available on the cheese table, kindly provided by the Chesil Rectory, Parsonage Farm or Devese Farm for charcuterie and Chococo for chocolate.

We also hope you like our 'Follow your Taste' concept, which we've developed specially for this event. We've categorised wine into six key styles, each one with its own Farrow & Ball colour and cheeky strapline. The idea is to help you experiment with confidence – you know broadly which styles you like so try others in a similar style by spotting the colour-coded neck tags around the rooms. Simple!

We're proud to be supporting local charity Naomi House & Jackspace, which provides much needed care for youngsters with life-limiting conditions and their families.

Finally, thank you to all our wonderful exhibitors, surely one of the finest line-ups ever assembled at an event of this kind. Sincere thanks also to our sponsors who have helped make this event happen. And of course thanks to you for coming and supporting the Festival in its first year – hopefully the first of many to come.

Susie, Peter, Claire and the Wine Festival Team.

FOLLOW YOUR TASTE

A NIFTY COLOUR-CODED SYSTEM
DESIGNED TO HELP YOU NAVIGATE THE
FESTIVAL AND EXPERIMENT
WITH CONFIDENCE.

HOW IT WORKS

We've broken wine down into six taste categories and, working with sponsors Farrow & Ball, we've given each category a colour suggestive of its style.

To make it fun, each category has a tongue-in-cheek strapline that sums up the wine style.

Bottles at the festival will carry Follow Your Taste colour-coded neck tags so you can easily spot which wines will suit your taste or your favourite grape varieties. Simple!

WHY FOLLOW YOUR TASTE?

It's an ice-breaker, time-saver, route map and invitation to experiment all rolled into one!

We'll also be handing out coloured stickers for you to wear should you wish to alert exhibitors to your favourite styles, along with bookmarks to take away with more information on your personal taste category.

Come and visit our table no.14 in the Bapsy Hall. We also have some fun themed aprons for sale!

The Chesil Rectory is one of Winchester's finest medieval buildings. It was totally refurbished and re-opened in 2008 by Mark Dodd and a group of friends, with the aim of creating Winchester's best modern British restaurant using local producers and celebrating Hampshire.

The team, all passionate about food and wine, have now established a relaxed and intimate restaurant providing exceptional quality, service and local menus in a convivial atmosphere.

Head Chef and stakeholder, Damian Brown, has a passion for good quality produce and a talent for creating delicious flavour combinations. His natural ability and drive have won The Chesil Rectory a string of accolades and awards; and has established the beautiful, historic restaurant as a culinary highlight of Winchester.

The Chesil Rectory are kindly providing delicious cheeses to taste over the Festival weekend. Please visit them on table no.2.

Once upon a time there was a small farm nestling in the Bourne Valley owned by the same family since the 1900s. The lush pastures originally reared young calves for beef.

Like a wise oak tree the farm grew and stretched its limbs expanding into different ventures with each generation; creating a fine venue for beloved couples and celebrating families, festivals of fun, pigs and piglets, markets and barbeques, whilst still raising contented calves.

The farm's current custodians, John and Sarah, are specialising in Hampshire produced Charcuterie, using the pork and beef from their slowly reared livestock creating a range of small batch cured and air dried meats. Where people like you can now discover and delight in the delicious flavours near and far across the lands.

Devese Farm is a small family run business specialising in goat meat and goat meat products. We make a range of gluten free sausages and burgers both with our goat meat and rare breed pork.

These are sold along with traditional cuts of meat at Hampshire Farmers Markets and local shows.

Last year we became involved with Hampshire Charcuterie and are in the process of trialling various salamis, biltongs and preserved meats using both the goat meat and pork.

For the last 12 months we have been selling our goat liver pâtés which are mixed with herbs and spirits for example sherry and fennel. We will also have a coarse pork liver pâté ready for the Christmas market. Both pâtés are ideal when teamed with cured meats, cheeses and wine to make an exciting charcuterie board.

We are passionate about fine wine and great design. The idea behind Top Note Design's work is simple: to take favourite wines and to re-imagine them using colours and shades which are evocative of the flavour, bouquet and the landscapes in which they are grown. Our work is created using digital techniques and hand pulled screen printing and brought to life with love and care in our South London studio. The downside to this project is that we have had to try an awful lot of wine!

If you are looking for an original present for a wine lover this Christmas, Top Note Design will be taking orders for one off print commissions based on the capsules from your favourite bottles of wine.

We will teach you food and wine pairing skills to enable you to select a wine that will enhance any meal of your choice.

Become a wise wine buyer:

- Put an end to buying wines that don't suit your own individual taste.
- Host the perfect dinner party with your food and wine pairing knowledge.
- Train over the weekend to fit around your working hours.

Come and see us now on table no.37 to take our bitterness test, we can begin to help you to understand which styles of wine will work with your own unique tastes.
