PLAY OUR APP – AND WIN PRIZES!

Grab your phone and visit app.followyourtaste.com. Choose the wine style you like. The app will give you six wines to find and rate.

You could win a pop-up prize at any time or, every time you complete a set of six, you'll be entered into a prize draw. We'll send you a list of the wines you rated after the festival. Enjoy!

SUPPORT OUR PRIZE DRAW FOR THE MURRAY PARISH TRUST

Fancy winning an amazing prize, from top-class fizz to fine dining, opera tickets, Riedel wine glasses, cookery courses and more? Please dig out a note and enter our prize draw in support of The Murray Parish Trust. It's a fantastic cause set up by local actors Sarah Parish and James Murray, who lost their baby daughter and are trying to raise £2m for the children's Intensive Care Unit at University Hospital Southampton. Thanks to our prize donors – and to you in advance!

FREEBIES

Don't forget your Riedel Degustazione glass is yours to take away. As is the programme and bag. The hundreds of wines are free to sample. Please use the spittoons! There's water all around the festival – please do keep hydrated, and take it easy (there is seating upstairs on the Bapsy balcony, please don't put anything on the balcony edge that might fall down, though).

FOLLOW YOUR TASTE

Your easy way to navigate the festival and find the wines you like. Head over to our Follow Your Taste tables to learn more – and pick up a colourful sticker or two. Wine omnivores can choose the 'I'm Easy' option! You can get general advice here and we also have official Wine Festival merchandise for sale.

BUY BUY BUY!

Our exhibitors love you to taste – and love you even more if you buy! Many are running special festival offers. Think of it as a savvy way to buy gifts or stock up for the festive period (and that means you get to call this 'research'!)

THANK YOU!

This festival is a massive team effort. We couldn't do it without a wonderful bunch of exhibitors, sponsors, helpers and staff. Or indeed without such brilliant visitors! A very sincere thank you to you all.

FOLLOW YOUR TASTE

A NIFTY COLOUR-CODED SYSTEM DESIGNED
TO HELP YOU NAVIGATE THE FESTIVAL AND
EXPERIMENT WITH CONFIDENCE.

HOW IT WORKS

We've broken wine down into seven taste categories and we've given each category a colour suggestive of its style.

To make it fun, each category has a tongue-in-cheek strapline that sums up the wine style.

Bottles at the festival will carry Follow Your Taste colour-coded neck tags so you can easily spot which wines will suit your taste or your favourite grape varieties. Simple!

WHY FOLLOW YOUR TASTE?

It's an ice-breaker, time-saver, route map and invitation to experiment all rolled into one!

We'll also be handing out coloured stickers for you to wear should you wish to alert exhibitors to your favourite styles, along with bookmarks to take away with more information on your personal taste category.

Come and visit our tables no.05 in the Keats Room & no.17 in the Bapsy Hall. We also have some fun themed aprons, glass cloths and coasters for sale.

HUTCHINGS & BRANT

If you have a passion for style then we are glad you've found us. We are two friends who share the same tastes and love to hunt down things that are unique, interesting, quirky, or just plain lovely.

We like to make a statement with eye-catching style for home, for her or for him. Whatever we find always makes us smile.

We've got a lot of experience behind us in fashion retail and interior design. That all helps when we are looking for new products, but we

really know we're onto something when we both say "wow, I'd like that myself!". If we don't both love it, then we probably won't stock it.

We hope you will find we have something to make you smile: the only thing more important than our style – is yours....

PARSONAGE FARM CHARCUTERIE

Parsonage Farm started making and selling charcuterie after training with Hampshire Fare's project funded by The Princes Countryside Fund. All charcuterie is hand-made on the farm using meat reared there, using local seasoning: Betteridge Beer, Twisted Nose Gin. Packaging is kept to a minimum, to reduce any impact on the environment.

As well as making and selling the charcuterie they also run workshops in butchery, sausage making and charcuterie to try to make all things meat accessible to all.

The charcuterie salami can be bought from the farm or on line or at any of the many food events attended, and is on the menu at a number of local restaurants .

KYOTO KITCHEN

The Kyoto Kitchen has been listed as one of the top 10 Japanese eateries in the whole country by the Sunday Times (2016) and regularly features on TV and in the press.

This intimate family run eatery is headed by Chef Shunji Irokawa who has over 40 years experience in the Japanese kitchen. With a broad range of expertise in traditional and the more innovative, Shunji has created a menu to give you and your guests an introduction to the eclectic and varied dishes that make up Japanese cuisine.

Our young sushi maestro, Daniel Chirita, has refined his elegant knife and sushi rolling skills and will be demonstrating some of those skills on table no.23.

There will also be the opportunity for you to buy a sushi box as well as sample some of our selected wines from our highly crafted wine list.

TABLE 26
JAKE'S ARTISAN FOODS

Jake's Artisan Foods has redefined the English pork pie, elevating it to glorious new heights. Crammed with succulent pieces of perfectly seasoned free-range pork in a classic hot-water crust, each one is proudly made by hand just outside Petersfield in East Hampshire.

Every Jake's starts out with at least 100g of pork shoulder, flavoured only with sea salt, freshly ground pepper and just a pinch of spice. Slow-cooking results in a pie like no other.

All of which makes Jake's a perfect partner: as a canapé with an English sparkling white, lunch with a light rosé, dinner with a big red or while watching rugby or on an autumn shoot with your favourite ale or cider. They're even fabulous while lazing in the sun with a freezing cold Sherry. One taste and you'll see for yourself.

What steps will you take?

The Murray Parish Trust are raising £2 million which is being match funded by the government to build a state of the art Children's Emergency & Trauma Department at University Hospital Southampton. The new department will deliver life-saving and acute specialist care for critically ill children from across nine different counties, stretching from Devon to West Sussex, Oxfordshire to The Channel Islands.

Founded by actors Sarah Parish and James Murray, who tragically lost their daughter Ella-Jayne to a congenital heart defect, The Murray Parish Trust is dedicated to supporting paediatric facilities across the South of England. Commenting on the campaign, Sarah & Jim said "This new A&E will be the go-to major trauma centre for ALL children across the South of England."

There are numerous ways you can help. From one-off donations, regular giving, challenge yourself, sponsor or run your own event, corporate donations and company fundraising. Why not join in our #2MillionSteps foot selfie campaign on social media and donate by simply texting **TMPT16 £5** to 70070 when you tweet your feet!
