## PLEASE SUPPORT OUR PRIZE DRAW

So far, the wine festival has raised over £6,500 for good causes. This year, we're proud to be working alongside child bereavement charity Simon Says. Please give generously or buy tickets to the prize draw. You could win an amazing prize, from a magnum of champagne to a sapphire pendant, gin experience, golf round, cookery course or delicious meals. Huge thanks to our prize donors – and to you in advance!

## THE APP IS BACK!

Whip out your device and visit [app.followyourtaste.com](http://app.followyourtaste.com). The app selects wines for you to try and rate, based on your taste. There are prizes to be won!

We've upgraded the app since last year. You can now break out of the game and search for wines/exhibitors at any stage. As before, we'll send you a list of wines you rated after the festival. Appy days!

## FOLLOW YOUR TASTE – STICKER UP

Your easy way to navigate the festival and find the wines you like. Find our mobile Follow Your Taste hub to learn more – and pick up a colourful sticker or two. You can get general advice here or from any staff. We also have Follow Your Taste merchandise for sale.

## MASTERCLASSES – JOIN IN THE FUN!

Our delicious masterclasses feature vintage champagne and port (Deutz/Quinta do Noval), top-notch Hampshire sparkling wine (Exton Park & Hattingley Valley) and pairing yummy cheeses with Aveyrs' fine wines. The masterclasses are in the Wintonian Room, near the main entrance at the top of the steps. We may have a few tickets left (£10 each) on the night – please ask!

## FREEBIES & STAYING FRESH

Don't forget the Riedel wine glass is yours to take away. As is the programme and bag. The hundreds of wines are free to sample. Please use the spittoons! There's water all around the festival – and this year we have Hildon's brilliant Hydration Hub on the stage, so stay fresh in style. There is seating upstairs on the Bapsy balcony; PLEASE don't put anything on the ledge that might fall down.

## BUY BUY BUY!

Our exhibitors love you to taste – and love you even more if you buy! Many are running special festival offers. Think of it as a savvy way to buy gifts or stock up for the festive period (and that means you get to call this 'research'...)

## THANK YOU!

This festival is a MASSIVE team effort. We couldn't do it without a wonderful bunch of exhibitors, sponsors, helpers and staff. Or indeed without such brilliant visitors! Here's clinking your glass by way of thanks. And indeed looking forward to our fifth festival next year (23-24 Nov 2018).

## FOLLOW YOUR TASTE

A NIFTY COLOUR-CODED SYSTEM DESIGNED TO HELP YOU NAVIGATE THE FESTIVAL AND EXPERIMENT WITH CONFIDENCE.

### HOW IT WORKS

We've broken wine down into seven taste categories and we've given each category a colour suggestive of its style.

To make it fun, each category has a tongue-in-cheek strapline that sums up the wine style.

Bottles at the festival will carry Follow Your Taste colour-coded neck tags so you can easily spot which wines will suit your taste or your favourite grape varieties. Simple!

### WHY FOLLOW YOUR TASTE?

It's an ice-breaker, time-saver, route map and invitation to experiment all rolled into one!

We'll also be handing out coloured stickers for you to wear should you wish to alert exhibitors to your favourite styles, along with bookmarks to take away with more information on your personal taste category.

Just find one of our Festival team wandering around the Wine Festival with our usherette trays, ready to help you Follow Your Taste. We also have some fun themed aprons, glass cloths and coasters for sale

HUTCHINGS & BRANT

If you have a passion for style then we are glad you've found us.

We are two friends who share the same tastes and love to hunt down things that are unique, interesting, quirky, or just plain lovely. We like to make a statement with eye-catching style for home, for her or for him. Whatever we find always makes us smile.

We've got a lot of experience behind us in fashion retail and interior design. That all helps when we are looking for new products, but we really know we're onto something when we both say "wow, I'd like that myself!". If we don't both love it, then we probably won't stock it. We hope you will find we have something to make you smile: the only thing more important than our style – is yours....

TOP NOTE DESIGN

The Winchester Distillery, established by local resident Paul Bowler in 2014, produces premium spirits and alcoholic concoctions inspired by the Hampshire countryside and its wealth of botanicals.

All of their products are made by hand in small batches using their closely-guarded recipes as a guide and the master distiller's 'Twisted Nose' to fine-tune each batch to perfection.

Top Note Design brings you a range of wine inspired modern designs and original gifts which will appeal to anyone with an interest in wine. As well as a collection of exclusively designed, handmade homeware they have also brought together a carefully chosen selection of the latest wine accessories which will definitely make it onto your Christmas list.

They are excited to be exhibiting at Wine Festival Winchester for a fourth year and to have lots of new products and designs on offer. These include a brilliant argon gas winesaver which can keep wine fresh for several weeks after opening. Ideal for wine tastings. Be sure to visit them on table no. 08.

THE CHESIL RECTORY

The Chesil Rectory is one of Winchester's finest independent restaurants, occupying a beautiful Grade II listed building of exceptional character and charm.

The Chesil Rectory will be providing Hampshire "winter picnic" plates of cheese, chutney and homemade sausage rolls from their stand throughout the festival.

The unique Medieval building was totally refurbished and re-opened in 2008 by a group of friends, with the aim of creating Winchester's best modern British restaurant. Head Chef, Damian Brown, uses as much local produce as possible, celebrating the abundance of ingredients on Hampshire's doorstep. The team, all passionate about food and wine, have established an intimate restaurant providing exceptional quality and service in a convivial atmosphere.

**JAKE'S ARTISAN FOODS**

Jake's Artisan Foods has done nothing less than transform the English pork pie into luxurious charcuterie worthy of any drinks partnering: as a canapé with an English sparkling white, lunch with a peppery red, or while watching sport with your favourite ale or cider.

They're even fabulous for lazing in the summer sun with a cold Fino or Amontillado. Crammed with succulent pieces of free-range pork in a classic hot-water crust, each one is proudly crafted by hand in Nursted, East Hampshire. Bon app!

**WINCHESTER COCKTAIL WEEK**

Brought to you by the team behind Cabinet Rooms, Winchester's most exclusive café-bar, the city's celebration of spirits and mixed drinks is returning 5-11 February 2018.

With your favourite venues signed up to take part, Winchester Cocktail Week boasts a jam-packed 7-day programme and is the perfect opportunity to explore the city and its diverse cafés, bars, pubs and restaurants. 2018 will also see the launch of the festival's sister event, Southampton Cocktail Week, which will take place 16-22 July 2018.

With your official Cocktail Week wristbands you can benefit from £4 signature cocktails made with premium spirits, discounted entry to workshops and parties and exclusive access to special events. Tickets usually cost £15 but are just £10 each with the Early Bird Discount and, what's more, there's no booking fee to pay when you buy yours today at the Wine Festival.

Find out more about what's in store at Winchester Cocktail Week and Southampton Cocktail Week from the Cabinet Rooms team on table 44.
