FOLLOW YOUR TASTE

A NIFTY COLOUR-CODED SYSTEM DESIGNED TO HELP YOU NAVIGATE THE FESTIVAL AND EXPERIMENT WITH CONFIDENCE.

HOW IT WORKS

We've broken wine down into seven taste categories and we've given each category a colour suggestive of its style. To make it fun, each category has a tongue in cheek strapline that sums up the wine style. Bottles at the festival will carry Follow Your Taste colour-coded neck tags so you can easily spot which wines will suit your taste or your favourite grape varieties. And you'll even find a category for the other alcohol available. Simple!

THE APP IS BACK

Whip out your phone and visit app.followyourtaste.com. The app selects wines for you to try and rate, based on your taste. Or you can break out of the game and search for specific wines or Exhibitors at any stage.

WHY FOLLOW YOUR TASTE?

It's an ice-breaker, time-saver, wine walk and invitation to experiment all rolled into one! We'll also be handing out coloured stickers you can wear to help Exhibitors suggest wines you'll like, along with bookmarks to take away with more information on your personal taste category.

Just find one of our mobile Follow Your Taste team wandering around the Wine Festival with our usherette trays, ready to help you Follow Your Taste.

And we have some fun themed merchandise for sale at our Ticket Desk too.

We've upgraded the app since last year. Fresh for 2019, is the all new home screen with the ability to browse Exhibitors and their wines giving you the choice whether to simply use the app as a digital programme, or play to generate your very own festival wine walk. Plus there are prizes to be won! And as before, we'll send you a list of wines you rated after the festival.
